

# Fresh Start

## Remembering Who You Are

### Ice Breaker

- What was the high/low point of the past week?
- What's one thing God is teaching you right now?

### Key Questions

- What's one idea from Sunday's message that really stood out to you? Why did this grab your attention?
- Elder Coleman shared that, "We don't just 'have' church, we bring church wherever we go." We've been sent to help others experience a fresh start with God. Is there anything keeping you from getting involved and building relationships with non-believers with the hope of inviting them to church or sharing your story? If so, what are they?
- What's your next step to reaching out to someone who doesn't know Christ? What challenges have you faced or might you think you will face inviting someone to church or sharing your story?

**Optional Questions** – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- Describe a time when you did something out of your comfort zone to share your faith with another person. What did you learn from your experience?
- Read Matthew 9:36-38 aloud. After performing a miracle Jesus shared this truth with His disciples. Do you think that Jesus' words in this passage are true today? Is the harvest still plentiful? Why or why not?
- Read Matthew 5:13-16 aloud. This is another teaching of Jesus that reveals the purpose of the church. In view of this passage, how would you describe the role of Christians in the world today?
- Do you spend most of your time with Christians or those who aren't? Explain.
