

OWN IT 2018

GET YOUR HOPES UP

Ice Breaker

- What was the high/low point of the past week?
- **Recap:** Let Jesus speak for Jesus. How did you spend time with Jesus this past week? What's one thing He is showing you right now?

Key Questions

- What's one idea from Sunday's message that really stood out to you? Why did this grab your attention?
- *"Ownership is raising our faith to the level of God's faithfulness."* God never made a promise to good to be true. How would you describe the gap between your level of faith and God's faithfulness? Do the promises of God stoke your faith or do they make you skeptical? Why?
- Read Hebrews 10:23 aloud. This verse teaches us to believe the promises of God because God is faithful. Is there a particular area of life, or promise in scripture, that you struggle to trust God in? How can a lack of trust limit us from experiencing the promises of God? How can you grow trust with God?

Optional Questions – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- Read 2 Corinthians 7:1 aloud. This verse teaches us to live a life God can bless. Some of God's promises are conditional. A conditional promise requires faith and action (a response) before we experience the promise. Are there steps you need to take to live a more "blessable" life? If so, how can we encourage you?
- Read 2 Corinthians 1:20 aloud. This verse reminds us that God is faithful to fulfill every promise. Is there a particular promise in scripture you are praying for God to fulfill in your life right now? How can we pray with you to see that promise fulfilled?
- *"God may delay His promise, but He will never deny His promise."* Sometimes God doesn't move the way we expect Him too. It's in these moments that we are invited to experience even more of God's character and presence. How has God proven His faithfulness to you in difficult seasons?

Own It Sunday: Own It Sunday is December 10th. You're invited to bring your word for 2018 and offering as we celebrate what God did in 2017 and come expectant for Him to move in 2018!
