

OWN IT 2018

If This, Than That

Ice Breaker

- What did you do for Thanksgiving?
- **Recap:** Have you been praying about your word for 2018? If you have a word, what is it important to you?

Key Questions

- What's one idea from Sunday's message that really stood out to you? Why did this grab your attention?
- "God's promises are a series of "if this, than that" conditions." What promises are you still waiting to see? Has God shown you any conditions you may not be meeting in order to obtain His promises?
- Read Romans 12:3 aloud. This verse teaches us that God provides us with the measure of faith needed to fulfill our end of the promise. If this is true, why do we sometimes fail to experience God's best in our lives?

Optional Questions – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- Read 2 Corinthians 9:6-12 aloud. These verses were written to encourage believers to trust God through their giving. What sticks out to you most from these verses? Why?
- Read Luke 6:38 aloud. This is another verse that demonstrates the spiritual principle of sowing and reaping. How would you describe the process of sowing and reaping to a friend? What do you think people normally miss about this spiritual principle?
- Ps Philip shared a story about a woman being instantly healed of Scoliosis. How have you experienced God miraculous power in fulfilling His promise?
- Sometimes experiencing God's promise is a matter of timing. How do you stay in faith and encouraged while you are patiently waiting on God?
