

FULL.FILLED.

THERE'S MORE TO SEE

Ice Breaker

- **3 Questions:** What is your name? How long have you been attending TheCity.church? If you could make one unhealthy food magically become healthy for you – what food would you choose? Why?
- **Vision:** Over the next 13-weeks, what are you hoping to gain from being a part of this City Group?

Key Questions

- What's one idea from Sunday's message that really stood out to you? Why did this grab your attention?
- *"Bold faith is belief that raises my experience to the level of God's word."* Has there been a situation in life that required you to exercise bold faith? Is there an area of life where you need bold faith right now?
- Read Hebrews 2:8-9 aloud. This passage shows us truth: all things are under Jesus' authority. This passage also tells us it's true that on this side of Heaven we don't yet see all things under His authority. There is simply more to see. How would you encourage someone to keep their eyes on Jesus (believe His word, trust His timing, & don't give up) when they have yet to see all things placed under Jesus' authority?

Optional Questions – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- *"Weak faith is lowering my interpretation of God's word to the level of my experience."* Have you ever substituted bold faith for weak faith? Why is it so easy to fall into the weak faith trap?
- Read Acts 4:19-31 aloud. In this passage Peter and John have been released from jail for preaching to boldly. They immediately go to a prayer meeting to prayer for more boldness! As a result they become "filled with the spirit". What is the role of boldness in modern day faith? How does the Holy Spirit empower us to live boldly?
- *"There's More to See"*. The Full.Filled. Series and 21-Days of Prayer and Fasting are over. Did you experience breakthrough in this season? What are you believing you'll see more of in 2018?
